ASSOCIATION**

ASSA 2023 Annual Meeting

January 06 -08 2023 | New Orleans, USA

Event Overview

The **American Economic Association (AEA)**, which was established in 1885, is a non-profit, non-partisan, scholarly association dedicated to the discussion and publication of economics research. The Association currently **counts over 20,000 members** from academic, business, government, and consulting groups, within diverse disciplines from multi-cultural backgrounds.

The AEA is dedicated to economics research and teaching and supports established and prospective economists with a set of career-enhancing programs and services. The AEA, in conjunction with 64 associations in related disciplines known as the **Allied Social Science Associations (ASSA)**, holds a three-day meeting, each January, to present papers on general economics topics.

Over 13,000 of the best minds in economics are assembled to network and celebrate new achievements in economic research.

The meeting is generally organized as follows:

- **Program:** Offers in-depth coverage of economics topics across many disciplines via hundreds of speakers and panels.
- **Job Interviews:** The concurrent economics job fair brings together thousands of job-seekers and recruiting companies in pre-registered interview sessions.
- **Special Events:** The Presidential Address, award presentations, lectures, and many networking opportunities are also part of the experience.
- **Proceedings:** The American Economic Association publishes a Papers and Proceedings edition, in May, highlighting selected papers from the meeting, and a limited number of sessions are featured on webcasts.

- **Exhibit Hall:** Meet representatives offering specialized products and services serving economists and those in related disciplines

ASSA is the premier event to expose scientific and research work with colleagues and hear about the latest research emerging in the field. Economists from around the world take advantage of this unique opportunity to share, collaborate, and learn... all in one place.

The **upcoming meeting** is **scheduled** to be held in **New Orleans, USA, on 6-8 January 2023 (Friday to Sunday)**. The headquarters hotel is the Hilton Riverside. Sessions proposals and papers were submitted electronically (submissions are no any more available), via the American Economic Association website, until April 15, 2022. Information about the upcoming 2022 annual meeting is announced on the AEA website (<https://www.aeaweb.org>) as it becomes available for presenters, attendees, and exhibitors.
